All dimensions in mm approx.

Supra bins are designed to stack one on top of each other.

- Made from Polypropylene Copolymer.
- Strong rear lip for use with louvre panels.
- Strong heavy duty reinforced base, sides & stacking rim.
- Resistance to most industrial solvents, withstands higher temperature.
- Clear access to contents.
- All bins with identification card holders.
- Incorporates a safety stop feature in SB4/5/6 at the back for use in shelves.

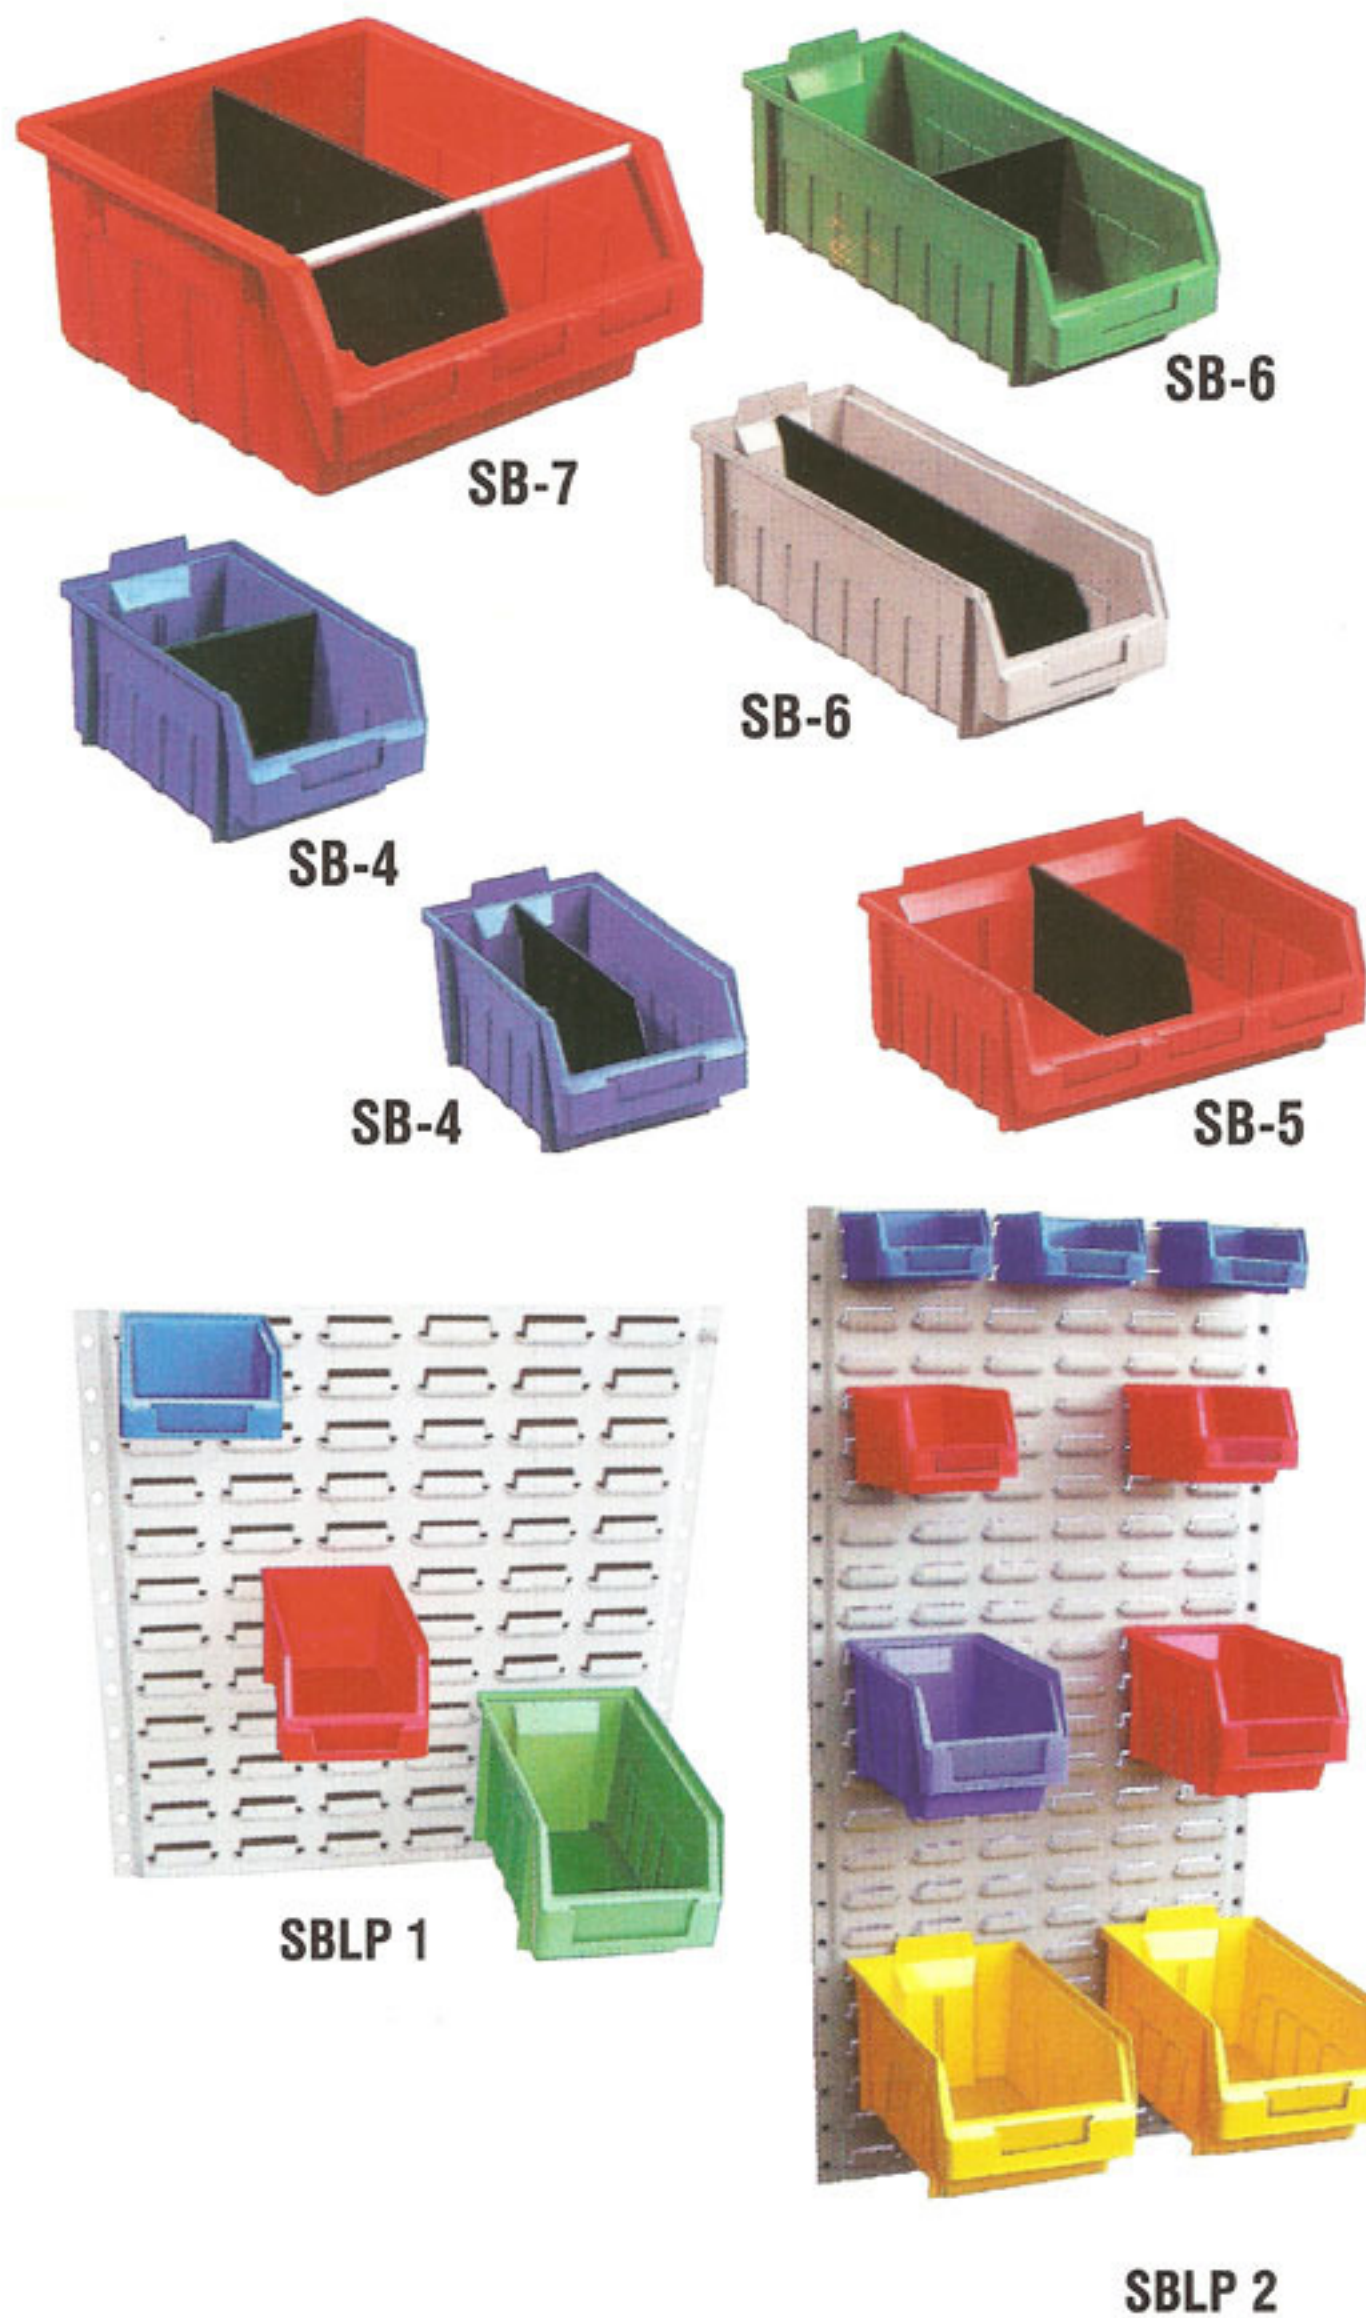

Rear lip for easy access. Stops bin from coming out.
